## INFORMATION ON APPLYING FOR VOLUNTEER STAFF

Thank you for your commitment to volunteering at the One World Festival! This is a great opportunity to learn, have fun and make new friends. As part-time volunteer staff, in exchange for 4 hours work per day on average, you are entitled to participation in activities in your free time, food and free accommodation in camping.

The registration fee is £100. If you are not admitted this fee will be re-funded. You can also upgrade to indoor accommodation at our listed prices (see price list). Staff family need to pay the standard listed price with a 10% discount. If you are bringing dependants, please fill in and attach our guest booking form. If you have a child under 13 it may be more adequate to volunteer part-time. Areas of work include:

### KITCHEN

This option involves working in the main kitchen assisting our professional chefs to prepare the meals. Work in this area is the hardest but also potentially the most rewarding. Lots of cutting vegetables washing, etc. We prefer volunteers with previous catering experience and health and hygiene certificates.

### SERVING TEAM

In this team you will help to serve the meals and clean the dining room afterwards

### CAFE

Working in our cafe behind the counter. You need to be confident working with a till.

### SITE WORK

This area of work includes cleaning, moving furniture, pitching tents, marquees, whatever needs to be done on site.

### INFORMATION CENTRE

In this area of work you will be in our office dealing with the clients and providing all sorts of information. Suits office minded people with basic computer skills and good communicators. You need to be fluent in English.

### CHILDREN / SPORTS

In this option you will be helping our managers and workshop leaders to run the children programme. Of course you need to enjoy being around children. Some of these volunteers will be allocated to the sports team. In this option we will need to do the mandatory police checks.

### STEWARDING

Stewards help to manage traffic of people in key places such as the dining hall and front gate.

### SECURITY

In this team you will do security rounds, check wristbands, put notices on illegally parked cars, deal with lost property, etc.

### IT & ENTERTAINMENT

Help with computing problems, working with sound systems, manning internet cafe, etc.

When filling in your staff application, please detail your first, second and third choice. Normally you will be allocated to only one team. Some of you may be requested to work in more than one team. If you have any relevant skills that may be useful such as life guarding, driving, photography, first-aid, child care certificate, health and hygiene certificate etc., please let us know.

### CAMP BOOKING CONDITIONS

The festival reserves the right to make any necessary alterations to the programmes, menus and events at short notice. In the unlikely event of our having to cancel the camp we shall refund all monies paid. If you need to cancel, no staff accommodation charges are refunded. The camp does not accept any liability for personal or material loss, neither does the camp accept any use of recreational drugs or excessive alcohol consumption.
